### **AUTHOR'S GUIDELINES**

The Abuja journal of economics and Allied fields (AJEAF) is a bi – annual academic journal published in June and December by the Department of Economics, university of Abuja. The journal publishes original research papers and review articles, all of which are referred. The papers range across the entire realm of the field of social science and humanities.

### **EDITORIAL REVIEW AND ACCEPTANCE**

The criteria for the acceptance of all papers are the quality and originality of the research and its significance to the readership and field of social science and humanities. Manuscripts are subjected to double peer review. Final acceptance or rejection rests with the editorial board.

Manuscripts should be written in a clear, direct style. Where contributions are judged as acceptable for publication on the basis of the content, the editor and the publisher reserve the right to modify typescripts to ensure clarity. Manuscripts requiring major alterations will be returned to the author(s)

### **SUBMISSION OF MANUSCRIPTS**

All articles submitted to the journal must comply with all the journal's instructions. Failure to do so will result in return of the manuscript and possible delay in publication. The original manuscript should be submitted electronically to: [ajeaf@gmail.com](mailto:ajeaf@gmail.com)

Submission should be double – spaced, with top, bottom and side margins at least 30mm. All pages should be numbered consecutively at the bottom center of the page.

The following instructions should be adhered to:

- The entire article ( including figures and tables ) should be supplied as a single file
- Authors should supply their accepted paper as formatted text.
- Manuscripts are to be prepared and submitted in word document (. doc) or rich text format. Only manuscript prepared by MS Word 1997 – 2007 will be accepted for assessment.

### **COVERING LETTER**

Papers are accepted for publication in the journal on the understanding that the content has not been published or submitted for publication elsewhere. This must be stated in the signed covering letter accompanying the paper.

### **PARTS OF THE MANUSCRIPTS**

The length of an article (including references and tables) should not exceed 8000 words.

Manuscripts should be presented in the following order:

- T**itle page,
- A**bstract and key words,
- T**ext,
- A**cknowledgment,
- r**eferences,
- T**ables
- f**igures

### **TITLE PAGE**

Material that might identify authorship of the paper should be placed on a cover sheet. The title page should contain (i) the title of the paper, (ii) the full name(s) of the author(s) and (iii) the addresses of the institution(s) at which the work was carried out together with (iv) the full postal and email

addresses plus facsimile and telephone number(s) of the author(s) to whom correspondence about the manuscript should be sent. The title should be short, informative and contain the major key words. No abbreviations should be included in the title. A short running title ( less than 40 characters) should be provided.

#### **ABSTRACT AND KEY WORDS**

All articles must have a brief abstract that states, in 250 words or fewer, the major points made and the principal conclusions reached. The abstract should not contain abbreviations or references. Six key words (for the purposes of indexing) should be supplied below the abstract in alphabetical order. Journal of Economic literature ( JEL) Codes must be provided as well.

#### **TEXT**

The text should be organized into an introductory section, conveying the background and purpose of the paper, and then into sections identified with subheadings.

#### **ACKNOWLEDGMENTS**

The source of financial grants and other funding must be acknowledged, including a frank declaration of the authors' commercial links and affiliations. The contribution of colleagues or institutions should also be acknowledged.

#### **REFERENCES**

The APA style of referencing should be used. (For example)
